

CIRCUS KAPUT SUMMER READING PROGRAM TOUR 2026

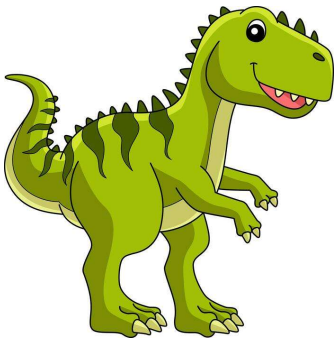

Digging up the Circus with Dizzy

Dizzy is back—and this time she's using her magic hula hoops to uncover the ancient secrets of the circus! From the pyramids of Egypt to the palaces of China, she explores how circus skills began and brings them to life with juggling, plate spinning, and amazing flexibility. Along the way, a curious dinosaur puppet crashes the dig to help her uncover adventure. Together they prove that laughter, learning, and circus fun never go extinct!

The PaleOZoic Puzzle with Ozum

Step back in time to a world without people, streets, or skyscrapers—just dinosaurs and mystery! Join the Astounding Ozum and his magical drill for a whirlwind excavation adventure through the layers of the Earth. Along the way, dinosaur eggs will be juggled, fossils will vanish, and prehistoric secrets will come to life in a flurry of fun and amazement. Together, you'll uncover the ultimate question: what really happened to the dinosaurs?

Oly and Rex: Space Cadets

3...2...1...LIFTOFF! Your audience is launched on a laugh-out-loud mission through the stars. Oly, a master balloon maker, and best buddy, Rex the T-Rex puppet, are suddenly teleported into outer space. The only way back? Teamwork! Kids become Space Cadets, helping solve puzzles, help with interactive magic tricks, and navigate asteroid fields—with plenty of balloon surprises along the way. This high-energy show blends magic, balloon artistry, puppetry, and comedy to spark imagination and confidence while celebrating problem-solving.

Maestro and His Dazzling Dino Circus!

Step right up and travel back in time—because the circus has gone prehistoric! Join Maestro, the eccentric ringmaster, as he presents a laugh-out-loud adventure where dinosaurs take center stage with dazzling magic, juggling, and puppetry. Watch as dino eggs vanish, creatures defy gravity, and prehistoric stars perform unbelievable stunts—all while sharing fun, fascinating facts about the ancient world. This interactive show celebrates curiosity, creativity, and the thrill of learning through spectacle and fun.

Fossil Frenzy World Adventure with Sirena Sparkles

After finding a mysterious fossil, Island Princess Sirena Sparkles sets off to discover its past. With dino-loving friends, she explores desert canyons, jungle wilds, Antarctic cliffs, and deep-sea trenches. Along the way, kids will sing with Sirena, dance, learn ASL, and uncover how fossils form! Includes hula hooping, puppetry and magic.

Professor BumbleBones and the Greatest Story Ever Buried with Elliot the Entertainer

Join Professor BumbleBones, a delightfully magical world-famous paleontologist, on a laugh-filled expedition to uncover the Greatest Story Ever Buried! As he digs through strange artifacts, dino bones, and puzzling clues, nothing seems to fit—until the audience jumps in to help solve the mystery. Together, they unearth surprises, laughter, and plenty of prehistoric fun. In the end, the real treasure isn't gold at all—it's imagination, teamwork, and the joy of the stories we create and share.
